

# Cars & Caffeine

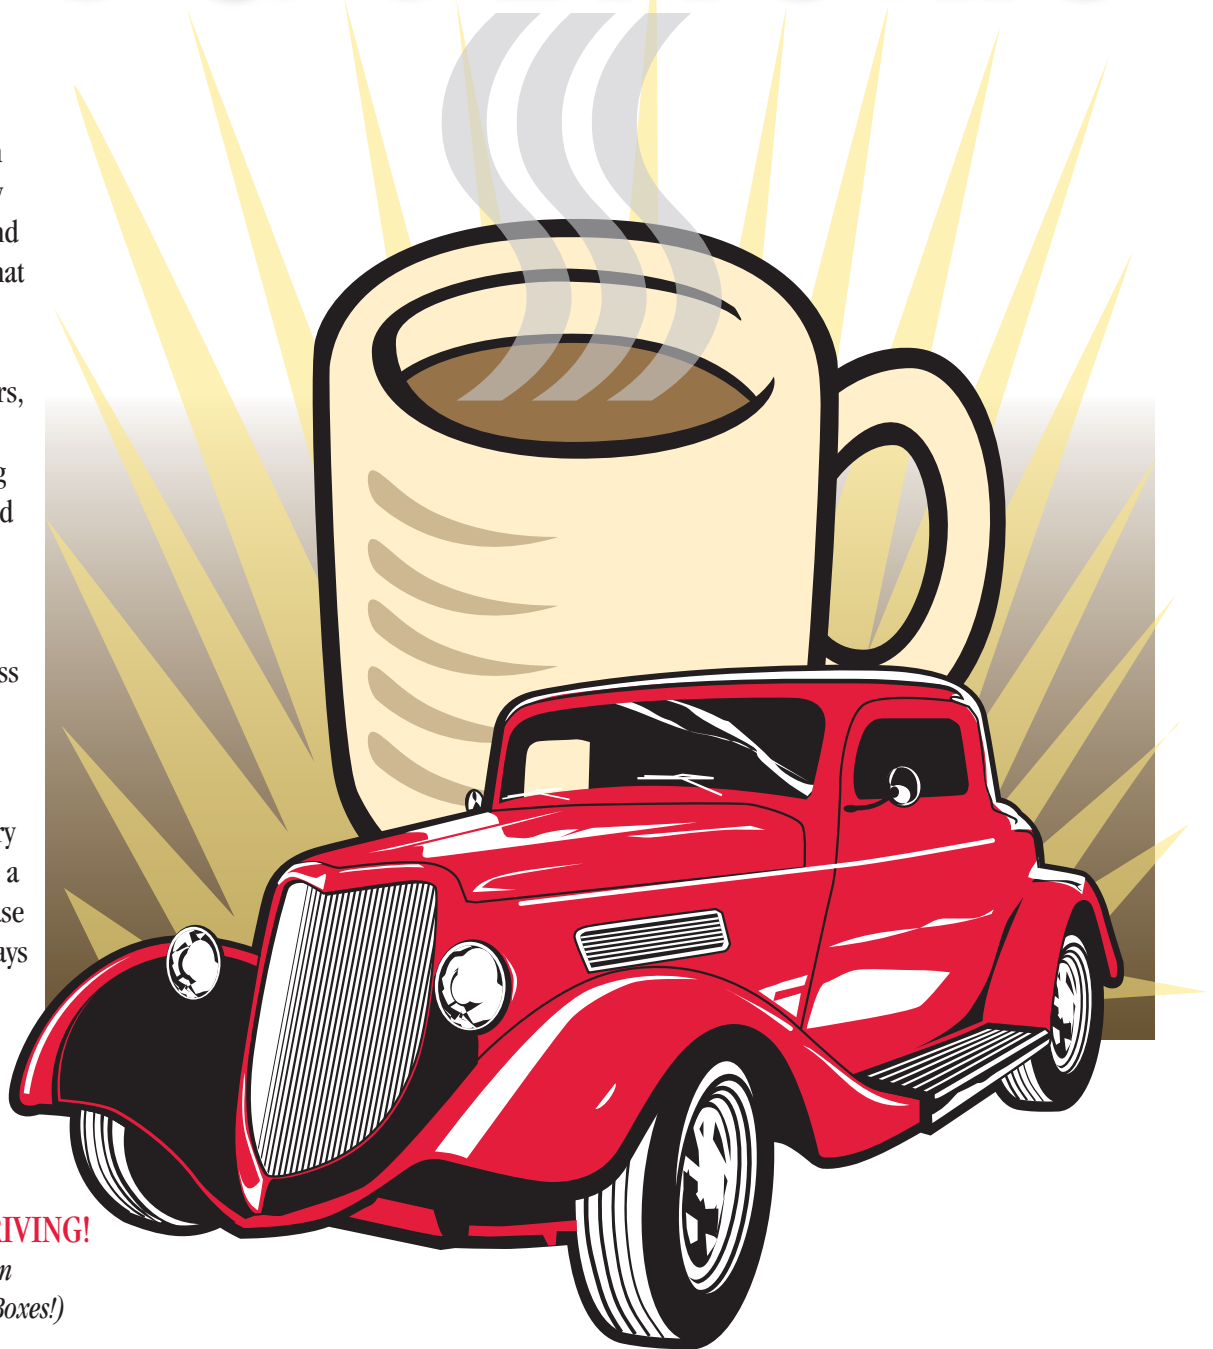

No Trophies, no classes,  
no prizes, no raffles,  
no vendors, just a bunch  
of car lovers out to show  
off their pride and joy and  
BS about 'em before that  
Honey-Do list kicks in!

Sports Cars, Muscle Cars,  
Trick Trucks, Hot Rods,  
Project Cars: anything  
that has wheels that you'd  
like to show off!

**7am to 9am.** Outta there  
before normal business  
hours and the tourists  
take over.

**The first Saturday** of every  
month (unless there's a  
big demand, in which case  
the number of Saturdays  
may be increased!)

**ONE RULE!**  
**NO BONE HEAD DRIVING!**  
*(Speeding, Burn-outs, Open  
Headers or Rolling Boom-Boxes!)*

**First Saturday @ The Landing parking lot, Port Angeles, WA**

Sorta sponsored by, but not responsible for anything: Kurt Schneider, Coldwell Banker Realty (kurtshneider@olympen.com) & David Haight, David Haight Creative Services (www.davidghaight.com). **The Landing's parking lot is graciously made available by the Cronauers.** Inspired by the original Cars & Coffee in Irvine, California. Check out this link to see what they get to do EVERY Saturday Morning:
